KENCHII KUP RULES AND INFORMATION

Sponsored by: Kenchii Professional Grooming

Competitors

Entries will be determined in the order they are received up to a total of 50 competitors. All Entries will be competing at the open level.

Entries

Competitors may compete with any of the AKC-recognized breeds, dogs must be groomed to breed standard. For best results and that "competitive edge", competitors should bring their own dogs. If you cannot bring your own dog because your country imposes quarantine, you may want to find a suitable dog from the Facebook group "Contest Dog Network" ask to be a member on their page. Contact them at your earliest convenience to secure your competition dogs.

By entering to participate in this contest the contestant agrees to have their contact information entered into the registration system shared with and contacted by Kenchii Professional Grooming.

Coat Length Qualifications- Kenchii Kup

It is recognized that some coats grow more quickly than others. Therefore, for contest purposes, the hair must be of sufficient length to allow the competitor to make a distinct change in the dog's appearance. Rotated coats on hand-stripped dogs are acceptable; however *there must be a distinct change in the dog's appearance.*

Preparation Requirements

Competition dogs must be prepped and ready for the judge's inspection prior to check-in procedures. Dogs should be combed, brushed and free of tangles, freshly shampooed and dried. Ears should be clean, toenails trimmed/filed, and hair between the pads trimmed, if applicable, according to breed standards. Poodle feet, pads, sanitary trimming, the genital and stomach areas, should also be pre-trimmed. All other trimming shall be done only after the competition starts.

As a rule, terriers that are being handstripped are not freshly bathed, since wetting softens the hair and causes it to blow. Chalk may be used as a cleaning agent, providing that all traces of it are removed from the coat before the judges begin their final deliberations.

All grooming techniques - clipping, snap-on combs, scissoring, thinning, hand-stripping, plucking and carding are permitted. Singeing of the coat (using a flame device to remove the tips of the hair) is not permitted in the competition ring, prep area, or bathing and drying area. Any pet or show trim is permitted for Poodles.

Tied-up topknots may be pre-banded, including hair extensions prior to start of contest, spray up products are prohibited prior to the start of the contest.

Regular hair sprays are allowed during the contest; however, aside from a tied-up sprayed topknot and finished heads, i.e. West Highland White Terrier, the judges must be able to comb through the coat. Finishing sprays, are permissible in order to tidy up after competition time frame ends however, re-shaping with water or product application is prohibited. Decorative objects, color sprays or glitter are not permitted.

Time Limit- Kenchii Kup

The competition will start promptly on Sunday March 12, 2017. Contest competitors and dogs must check-in promptly at 12:00pm, and then set up; pre-judging will begin at 12:15pm. Start time 12:30pm. No extra

time will be allowed nor will the contest be held up. No late arrivals allowed. All competitors have a two hour time limit, regardless of breed of dog, size or grooming technique used. After the two hour time call no more work will be allowed on the dog.

Grooming Equipment

Grooming tables and grooming arms will be furnished to contestants. Contestants must supply their own grooming equipment and grooming loop. Competitors from outside the USA may request to borrow a pair of clippers for the competition but must supply all blades. Send request to judy@wpamail.org by February 23th, 2017.
